Re. : Dissolution of Puthep Co. Ltd.

We would like to inform SET that Puthep Co. Ltd., a joint venture company between PDI (51%) and PNA (Puthep) Pty Limited of Australia (49%), established for the purpose of developing a copper exploration and mining project in Loei province has, at its EGM meeting no. 01/2558 on 7 August 2015, passed a resolution to dissolve the company and to proceed with the liquidation process. This is due to the fact that the project cannot be developed to the commercial stage. Puthep has already relinquished the Mining Lease Application (“MLA”) to the department of primary Industries and Mines (“DPIM”) earlier.

Please be informed accordingly.

Yours truly,
