Re.: Cadmium contamination court case in the Mae Sot District

According to the Company has disclosed to SET in the notes of the Q3 of 2018 Financial Statement on the subject of Litigation filed by a group of villagers in the Mae Tao basin, Mae Sot District, Tak Province. The accusation being that the mining operations of the Company and Tak Mining Company Limited caused cadmium contamination in the area and claimed for damage compensation.

The Company would like to further notify SET that on November 13, 2018, the Bangkok South Civil Court has read to the Parties the judgement of the Supreme Court No. 3936/2018 (Black Case No. 66/2009, Red Case No. 1758/2013) to confirm the judgement of the Appeal Court paying the compensation to 144 Of 207 plaintiffs in total amount of 11.09 MB together with the interest at 7.5% per year since 20 January 2009 until fulfilled.

The Company hereby confirms that it, its subsidiaries and executives have always operated businesses in good faith with full regard for the best interests of the shareholders and the public. With due respect to the Court's judgment, the Company will comply with the judgment by making payment of the judgment award in full within the period stipulated by the Court. The Company has reserved the provision for the payment and it would not have any impact on the operation of the Company's business.

Please be notified accordingly.

Yours truly,
